Roll no: 04

Project: An Event management website (Crystal events)

# Crystal Events

This is an event managing website which has home page where we can sign in and sign up, menu page, Services page with all their services and information, about us page, payments page, appointment page and contact page. It has information regarding the services that we offer and also is user based

## Technologies used:

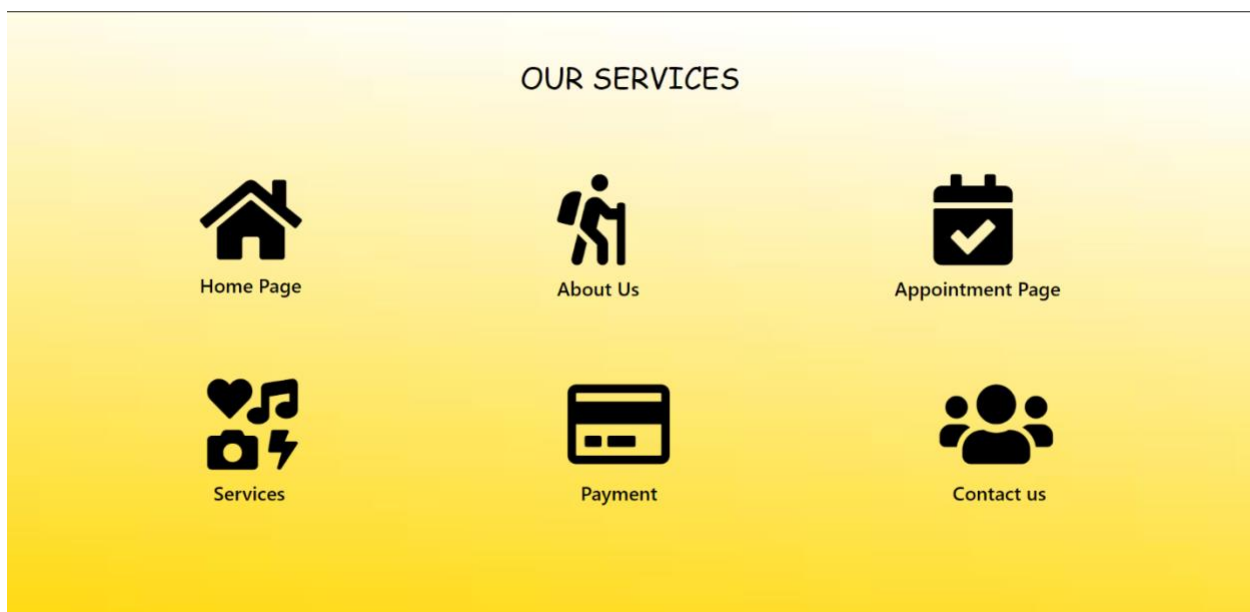

- HTML
- CSS
- JS(Java Script)
- Tailwind

# Home Page

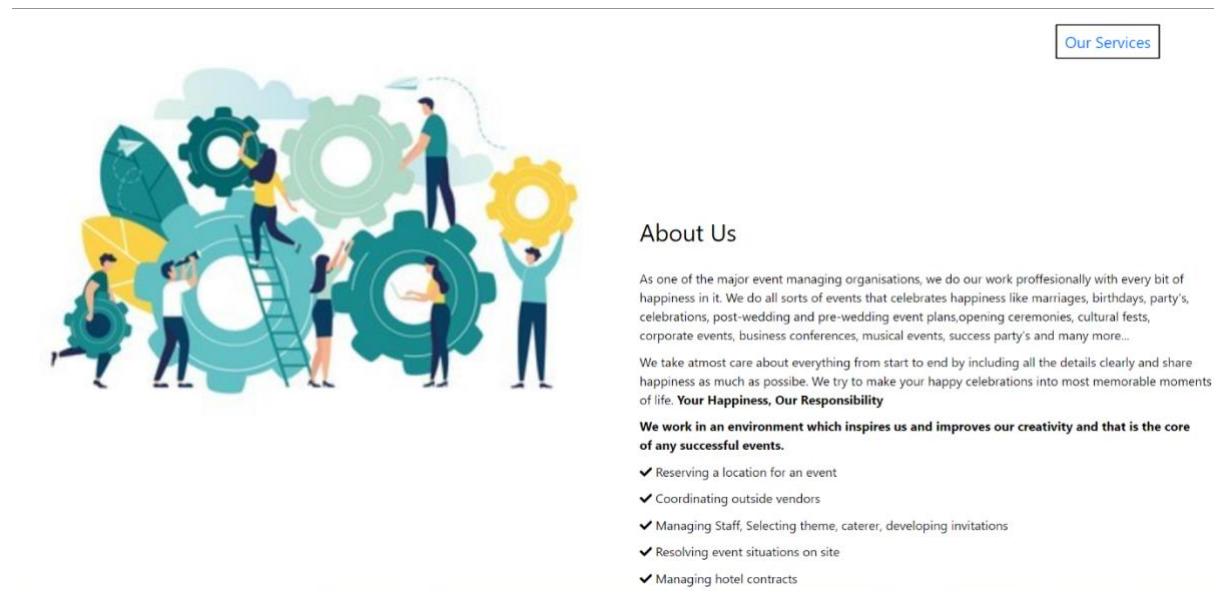

Pic 1.1

This is my first page also known as home page and it has sign up and sign in bottom at left corner along with is through which we can both sign up and sign in to accounts and an small icon at the right end corner from which we can navigate to next page i.e menu page. And, at the middle we have an heading which is Crystal events.

Pic 1.2

This is my next page which is also called as menu page. It has all some icons which navigate to next pages like About us, Appointment page, Services page, Payment, Contact us and it can also help us to go back to home page.

Pic 1.3

This is my about us page it has information about us and gives basic information about our company.

At the top right corner it has a small button called as Our Services which helps us to navigate to our services page i.e menu page.

Appointment page:

### Book Appointment

☒ Morning ☐ Afternoon  
 Confirmation request by  
☒ Email ☐ Phone call

Pic 1.5

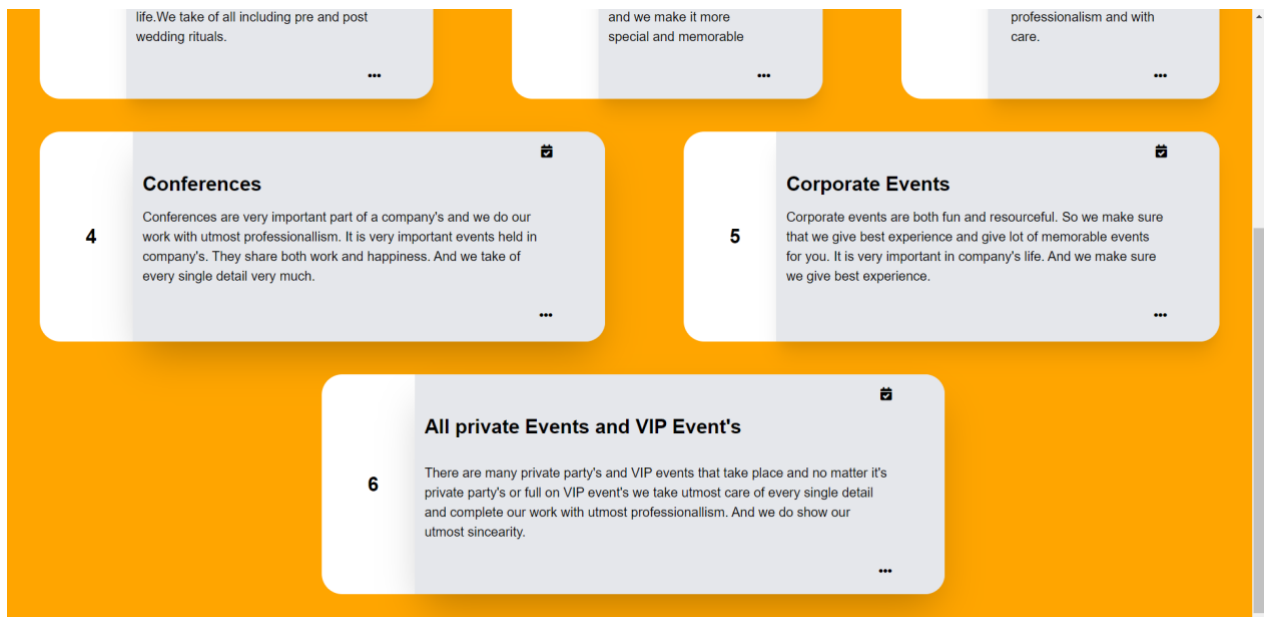

This is my appointment page, through which we can book our appointment / consultation so that you can reach to us and book events. It asks basic info like name, email address, Phone number and about appointment date, selecting morning or afternoon and about confirmation request through email or phone call. And also it has submit request button through which we can submit our request for appointment. Also has our services button which will help us navigate to menu page.

Our services page:

*Our Services* [Our Services](#)

- Marriages**  
 Marriages share happiness in everyone's life. We take of all including pre and post wedding rituals.
- Birthdays**  
 Birthdays are very special and we make it more special and memorable.
- Party's**  
 We handle all types of party's with 100% professionalism and with care.
- Conferences**  
 Conferences are very important part of a company's and we do our work with utmost professionalism. It is very important events held in company's. They share both work and happiness. And we take of every single detail very much.
- Corporate Events**  
 Corporate events are both fun and resourceful. So we make sure that we give best experience and give lot of memorable events for you. It is very important in company's life. And we make sure we give best experience.

Pic 1.6

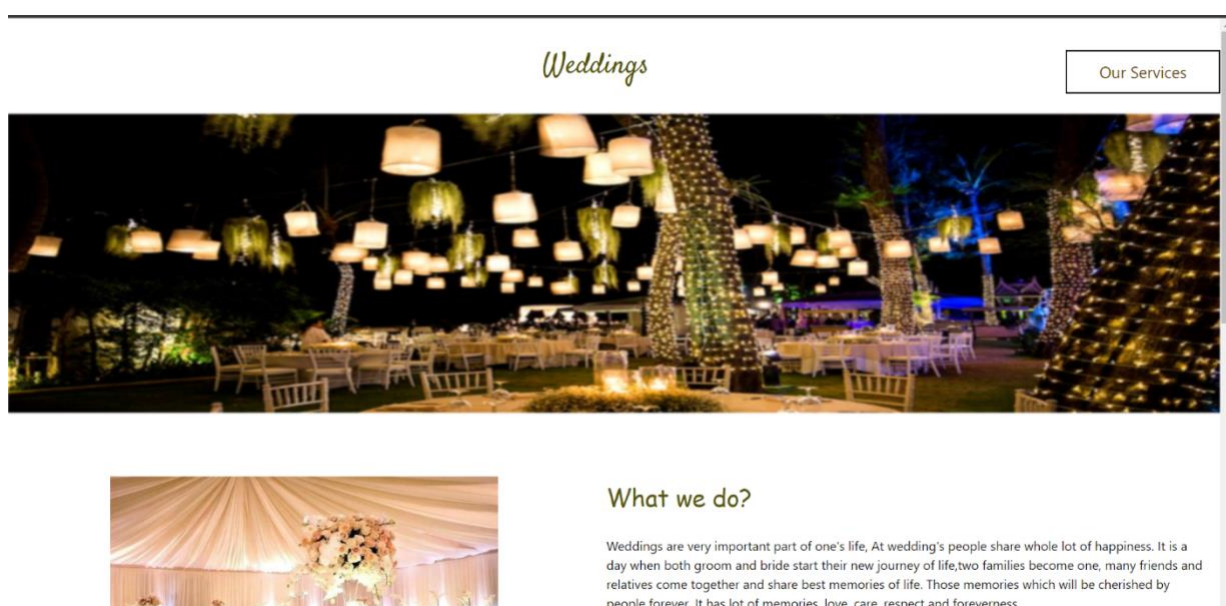

Pic 1.7

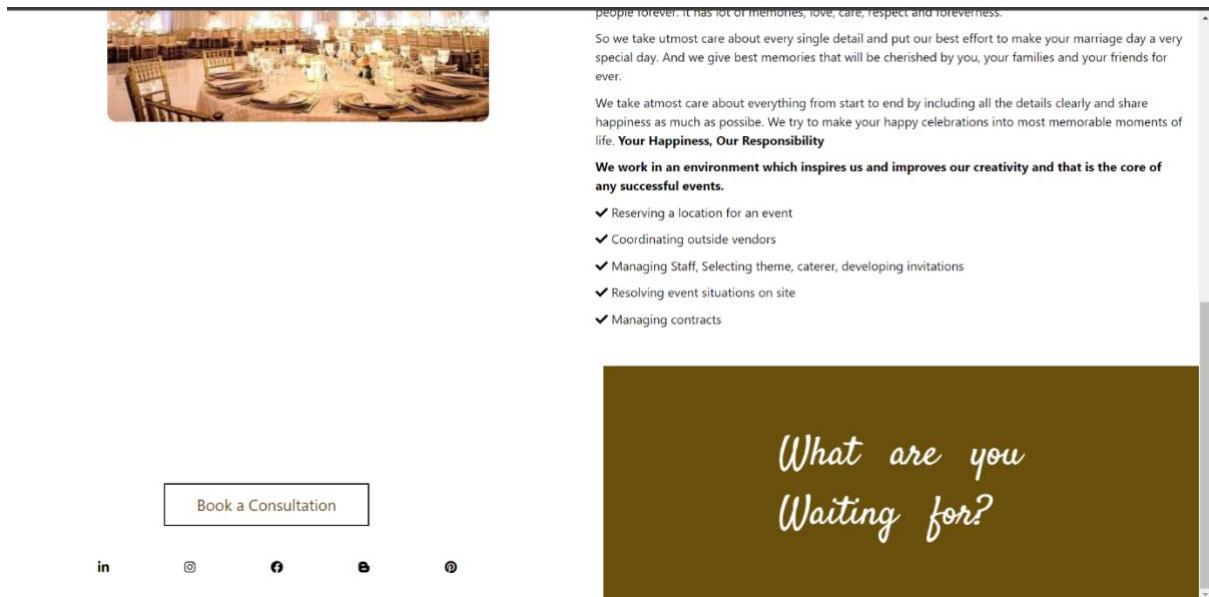

This is our services page. It shows about services like marriages, Birthdays, Party's, conferences, corporate events and also about all private events and VIP Events. These were all the services that we give to our clients. And all these also show a small icon which helps to book the appointment/consultation and three dots at bottom helps us to navigate to next corresponding pages.

And at top right corner there is small button which is our services which leads to menu page.

cherished by people forever. It has lot of memories, love, care, respect and foreverness.

So we take utmost care about every single detail and put our best effort to make your marriage day a very special day. And we give best memories that will be cherished by you, your families and your friends for ever.

We take utmost care about everything from start to end by including all the details clearly and share happiness as much as possible. We try to make your happy celebrations into most memorable moments of life. **Your Happiness, Our Responsibility**

**We work in an environment which inspires us and improves our creativity and that is the core of any successful events.**

- ✓ Reserving a location for an event
- ✓ Coordinating outside vendors
- ✓ Managing Staff, Selecting theme, caterer, developing invitations
- ✓ Resolving event situations on site
- ✓ Managing contracts

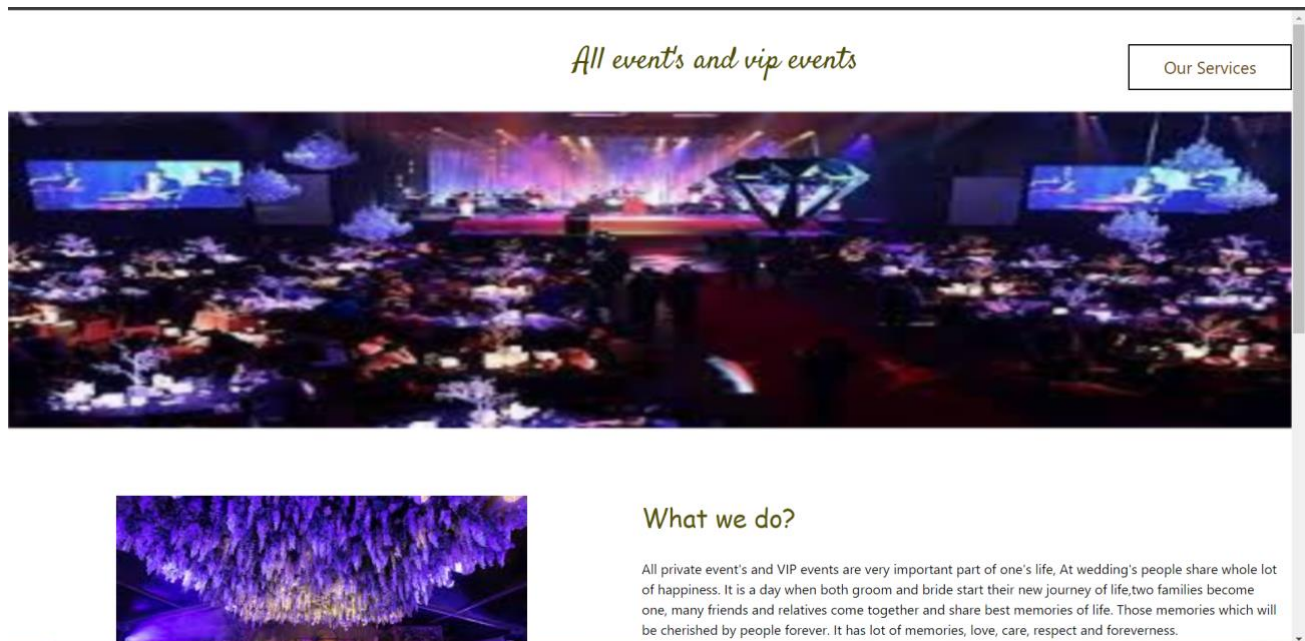

[Book a Consultation](#)

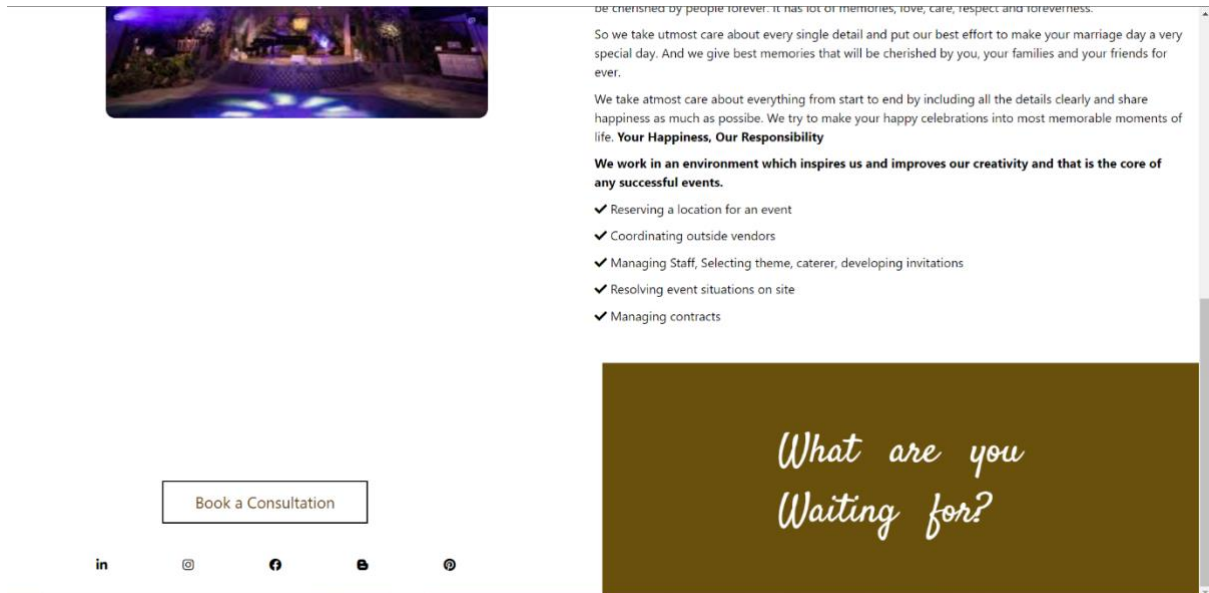

*What are you  
Waiting for?*

vi) All events page

Pic 1.18

Pic 1.19

So these were all the pages and services that we provide. Here we also gave our services button, some info about service ,book a consultation button which lead to appointment page and also all social media links to contact.

## Payment's Page:

The screenshot shows a web form titled "Payments" with a blue header. In the top right corner, there is a button labeled "Our Services". The form is divided into three main sections: "Billing Details", "Billing Address", and "Payment".

- Billing Details:** Includes fields for First Name (Neel), Last Name (Shourya), Email (abc@gmail.com), and Alternate Email (xyz@gmail.com).
- Billing Address:** Includes fields for Address (542 W. 15th Street), City (Punjab), State (TPT), and Pin (517501).
- Payment:** Includes "Accepted Cards" (Visa, Mastercard, American Express, Discover), Name on Card (Karthik Luthra), Credit card number (1111-2222-3333-4444), Exp Month (September), and Exp Year (2018).

Pic 1.20

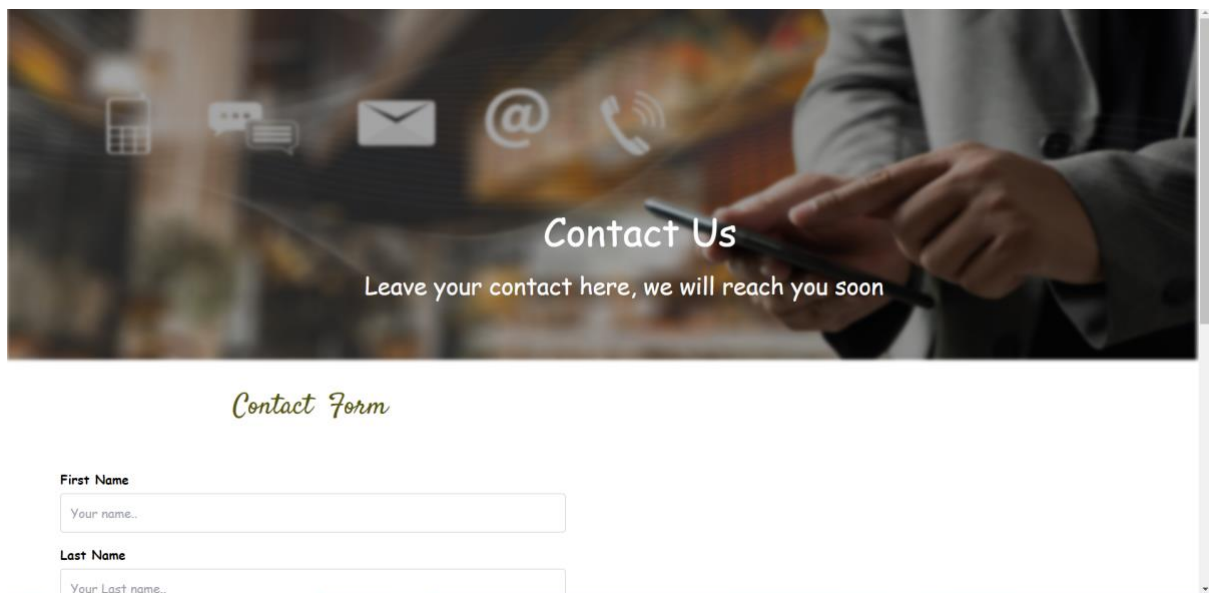

This screenshot shows the same form as Pic 1.20, but with additional fields and a submit button. The "Billing Details" section now includes a Phone field (9999999999) and a Mobile field (9999999999). The "Billing Address" section includes checkboxes for "Shipping address same as billing" and "Terms and conditions", both of which are checked. A green "Submit" button is located at the bottom center of the form. The "Payment" section includes a CVV field (352).

Pic 1.21

This is payment page where we have to give all details like billing details, billing address and proceed to payment with cards.

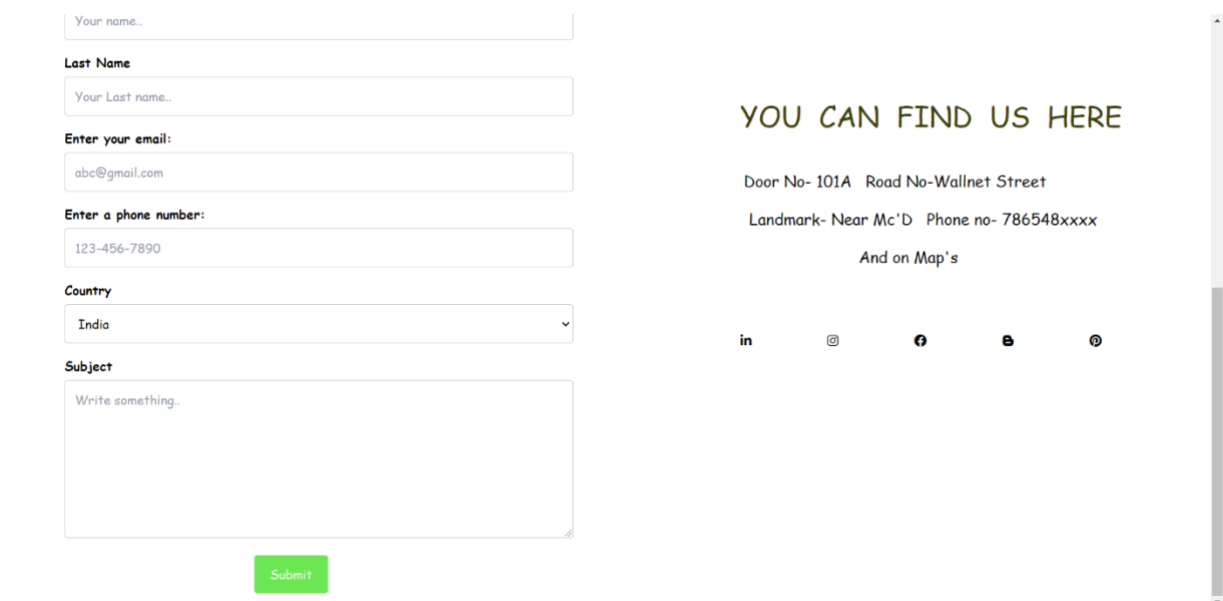

## Contact us page:

The image shows the top section of a contact page. It features a large header image with a person holding a smartphone. Overlaid on the image are several white icons: a mobile phone, speech bubbles, an envelope, an '@' symbol, and a telephone handset. Below the icons, the text 'Contact Us' is written in a large, white, sans-serif font. Underneath that, in a smaller white font, is the text 'Leave your contact here, we will reach you soon'. Below the header image, the text 'Contact Form' is written in a cursive, brown font. Below this, there are two input fields: 'First Name' with a placeholder 'Your name..' and 'Last Name' with a placeholder 'Your Last name..'. Both fields have a light gray border and a small 'x' icon to clear the text.

Pic 1.22

The image shows the full contact form and address section of a contact page. On the left, there is a form with the following fields: 'Your name..' (placeholder), 'Last Name' (placeholder), 'Enter your email:' (placeholder 'abc@gmail.com'), 'Enter a phone number:' (placeholder '123-456-7890'), 'Country' (dropdown menu with 'India' selected), and 'Subject' (placeholder 'Write something..'). Below the form is a green 'Submit' button. On the right, the text 'YOU CAN FIND US HERE' is written in a bold, brown, sans-serif font. Below this, the address is listed: 'Door No- 101A Road No-Wallnet Street', 'Landmark- Near Mc'D Phone no- 786548xxxx', and 'And on Map's'. At the bottom, there are five social media icons: LinkedIn, Instagram, Facebook, Twitter, and Pinterest.

Pic 1.23

So, this is the contact page through which anyone can contact to us with the help of simple information that you provide us. This page have form and also address with social media contacts there. And we reach out to every one soon!
